

66455-195**REMARKS**

This Amendment supplements the response filed May 13, 2005 in response to the Office Action of January 13, 2005. .

In the Office action the Examiner indicated that Claims 6-15, 17-22 and 24 would be allowable if written in independent form and including the subject matter of the claims from which it depends. In the response filed May 13, applicants' representative rewrote Claim 6 in independent form, but mistakenly included the subject matter of Claim 5 in the amended claim as well. Claim 6 is not dependent on Claim 5 and the limitations thereof should not have been included in the amendment to Claim 6.

Applicants' representative contacted the Examiner by telephone on June 23, 2005 to advise the Examiner that this Supplemental Amendment would be filed in order to correct the error. The Examiner indicated that he would consider the amendment upon receipt.

In reviewing the claims, applicants' representative noticed that certain ones of the allowable claims should have been rewritten in independent form in order to recite the full scope of the claims as allowed. Claims 1, 7, 12, 13; 17, 19, 22, and 24 have been so written.

In view of the foregoing it is respectfully requested that the Examiner allow the claims as amended herein. If any further issues require attention, it is requested that the Examiner contact the undersigned representative so that such issues may be resolved.
